Pattern Yardage:

As every Unique pattern is custom drafted to your own specific measurements, it is not possible to give exact yardage requirements. To know precisely how much fabric your pattern requires, we suggest you do a trial layout before making a final fabric purchase.
For general yardage guidelines please refer to the following chart using the size groupings outlined below:

Jackets and Blouses:
Select the size code that corresponds to your bust measurement.

Skirts and Pants:
Select the size code that corresponds to your hip measurement.

Dresses:
Select the larger measurement, either the bust or hips, to determine the size code.
